All Local Artists

We Work With All Local Artists

Our Mission

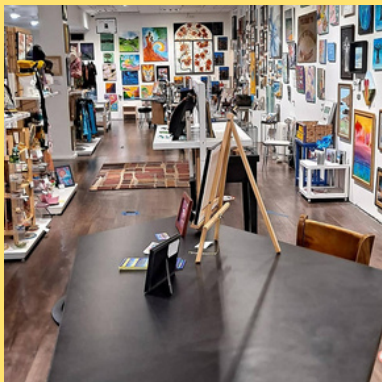

The Mission of City of the World, Inc. is to educate, produce, and market local artists while celebrating the arts and providing an enriching art experience among our community.

Who We Are

City of the World, Inc. is an established 501(c)3 non-profit art gallery, events space and community arts organization that promotes artistic engagement and celebrates arts education. We provide all local artists with accessible and affordable art services and free community art projects through our Artz-to-Go mobile program.

Co-Op Setting

City of the World is set up at a co-op art gallery so all artists get the support they need. We as a nonprofit rely on our artists and volunteers to keep the gallery running at our storefront location inside the Meadows Mall.

COMMUNITY OPPORTUNITES

We participate in dozens of community events around the valley each year. We invite all of our artists to these events for even more selling and networking opportunities. With these events we often run a free kids art table with our outreach program Artz-to-Go. We encourage all of our artists to take part in these activities and share their talent and passion for the arts.
