## ABOUT US

**THE MISSION OF CITY OF THE WORLD, INC IS TO EDUCATE, PRODUCE AND MARKET LOCAL ARTISTS, WHILE CELEBRATING THE ARTS AND PROVIDING AN ENRICHING ART EXPERIENCE AMONG OUR COMMUNITY.**

### Who We Are

City of the World, Inc. is an established 501(c)3 non-profit art gallery, event space and community arts organization that promotes artistic engagement and celebrates art education. We provide all local artists with accessible and affordable art gallery services as well as free community art projects through our Artz-to-Go mobile program.

### More Than A Gallery

Explore our gallery of over 40 Local Artists from all walks of life and talents! We cater to all local artists and artisans of original works.

Each month our Featured Artist, Student Artist, Teacher and Themed Shows feature different artists in a continual rotation so everyone can enjoy these beautiful works of art.

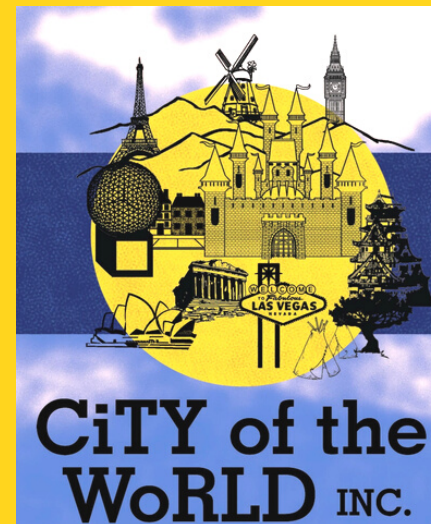

We are also proud to offer low cost workshops hosted by our artists. These workshops are designed for ages "5-105" and can be booked anytime online.

Join us every other month for our one of a kind Chocolate Jazzed Café fundraiser! We invite local musicians to perform in the gallery for an evening while you, our guests, enjoy wine and chocolate. All entry fee donations go directly to the musician and the gallery in our continuing efforts to enjoy the arts and make them accessible to all.

### Artz-to-Go

We take art into the community with our outreach program Artz-to-Go. This program is free for all Southern Nevada residents and visitors. Participants get the full experience of art enrichment and engagement with guided projects and lessons in the beautiful surroundings of our city parks.
